ASTERIA UP

Designed by Soren Ravn Christensen

DISCRETE AND STYLISH

Finding the right light for the kitchen and hallways can be a challenge. The new Asteria Up ceiling lamp is not only offering the perfect light but is also a very discrete and stylish solution.

The lampshade is placed on a brass base, adding a refined expression to the lamp design. A top panel provides an ambient light upwards as well, enhancing the details of the design and secures a soft atmosphere in the surrounding space.
